

# RISK MANAGEMENT FOR LIABILITY OF WORK BASED LEARNING STUDENTS

*Who will be responsible for the student's medical coverage if the student is injured at the worksite?*

**Is the student paid by the worksite employer?**

**YES**

Worksite Employer responds through its Workers Compensation Policy.

**NO**

Has the school district agreed with the employer that the district will cover the student under its worker compensation policy?

**YES**

School District's Worker Compensation Policy responds.

**YES**

**NO**

Administrative Law Judge decides who is responsible based on 3 questions.

1. Who controls the activities?
2. Who is receiving the economic benefit?  
Employer or Student?
3. Are wages being paid?

Is the student paid by the school district to work at the employer's site?
